It was nudging 32c as we rocked up for the draw. Lots of carp sulking on the surface between the islands didn't bode well and so it proved as a number struggled, especially down the far end.

Neil got off to a flying start with a 3lb fish on the starting whistle and ended with a run of margin carp at the end. Lee had the bridge end to himself and the long and patient approach would have paid off if he hadn't lost four fish. The two he did net went almost 20lb.

Stan was happy on 24, in the shade and with plenty of margin cover. Some early small carp soon dried up and losing some big foul hookers didn't help. A big fish caught shallow was lost near the net when the hook parted company for no obvious reason and then, on the final whistle, a 2-3lb fish slipped the hook inches from the net – doh,

Fourth place went to Andy Z who used his usual method tactics. He also reported losing numerous fish but the six small carp he did net won him some coin.
