Reduced numbers today with several super-stars away at White Acres. Also, organiser Steve Burfoot still in hospital recovering from a heart condition.

For the those fishing the weather was perfect, nudging 20c with a light breeze. Despite this the fishing was challenging and as several found, hooked carp could be quickly lost.

Winner Chris Stride complained about losing nine or so carp but he did well enough from peg 5 to secure an easy win. Aside from a chunky perch and a few F1's his catch was carp to about 6lb, all on single red maggot.

Runner up Barry Cowley on 19 fished long using worm for a mixture of fish including perch over a pound but not enough proper carp on the day. Likewise, Dave Aris on 17 caught his fish away from the margins, maggot over groundbait working well for four decent bream for about 11lb plus a few small perch, F1s and roach to take him u to 13.12.

Next week it's back to Riverside.
