Our first match at Frogmore for some time and hopes were high but not as high as the water level which had been almost over the banks and the water was very coloured.

Unfortunately Frogmore does not escape the trend around the country of fisheries producing dire results and it proved to be a rock hard match.

Allan on peg 19 sat out patiently waiting for tiny indications and picked up a number of skimmers up to a couple of pounds for a clear win. Roger Brown was second on peg 11 with a mix of fish and Steve Burfoot had mainly roach of reasonable quality and a small stockie carp.

Elsewhere a few fish were caught but it was really a case of scratching around for bites. Dave Lawson had the fish of the match a cracking perch of 1lb 13oz.

Hopefully once the colour returns to normal the fish will be on the munch again ready for our return in 2 weeks time.

We are back at Riverside Road next week so book on with Steve Burfoot as normal.
