A bit cooler today at the start and the fish looked to be in a feeding mood with bubbles all over the lake. With lots of casters left over from Redbridge I was hoping to fish for the silvers. At the draw Steve got first dibs and went in 27 I went for 19 with my 2nd place.

The cooler weather seemed to suit the bream which there were a few of today but the roach were ravenous and oddly enough they wanted pellet and not caster. Luckily the carp seemed to want caster in my peg. Steve had some good carp where I had loads of fls, small mirrors and common in close. Fishing pellet shallow whilst tucked under my umbrella as the rain came down got some good fls to over 2lb and a string of nice roach.

Steve Burfoot on 27 set the early pace as expected weighing in 58lb 11oz. I had 46lb 5oz of small carp and fls plus one proper carp and 15lb of silvers to nudge me over 60lb. Reasonable backing weights of carp and bream showed the venue is fishing well.
