Another well below par day at Frogmore with water levels far too high for carp to settle in the edge and cold water coming in. A few carp were caught along with F1s and a few bream. Quite a few carp were hooked and came adrift, possibly foul hooked. The F1s that were caught were generally of a good stamp some in the 2-3lb bracket.

Ray Cormack had some nice carp from peg 4 for what would be second place. It was nice to see a couple of good perch of about 1.5lb showing in a couple of anglers nets. Julien on peg 19 took third by a mere ounce over Kevin Hemsley on his first visit to Frogmore for a weekday match.

I figured with the weather being warm the fish would be up in the water and after not too long the odd roach and rudd started boiling and a switch to the shallow rig saw plenty of bites and the result was 20lb plus of roach with a couple of skimmers for 23lb 2oz of silvers with a couple of carp to take to the total to 31lb 5oz.

Next week at Riverside.
