Our second match at Frogmore and peg 23 is back to its winning ways. Barrie Cowley took the hot peg and had 4 carp and bits for the win and Roger Brown had a good silvers bag of 11lb 3oz for second. Allan and Stan both had roach and skimmers in their 8lb 10oz catches with Stan having a brown goldfish in his catch.

Overall it fished very hard , no doubt due to the icy cold water. Next week sees us back at Riverside. Lets hope there is some colour or it could be super hard !
