It was a slightly better day at Frogmore as mild weather and a full-up lake made the fish a little more active.

That said, bites were still few and far between and only about 17 proper carp landed and just one bream weighed in.

Winner Barry had three of the biggest carp on the day but needed to be patient, maggot being the successful bait. Runner-up Stan took the silver-fish pool with a mix of quality perch, roach and a single bream. A possible 2lb perch slipped the net denying Stan the top spot but luckily still just an ounce ahead of Kevin on flyer 19 where he found two carp out long and two in close on expander plus a mix of small silvers for 3<sup>rd</sup>.

Perhaps unluckiest was venue ace Roger. His 11lb was four big F1's on pellet but he lost another 10 or so out by the island on 29.

Next week it's back to Riverside.
