A good turn-out for this silvers-only match, organised by Richard Wylie, where any carp over 1lb counted as 1lb. Funny thing is, only one carp was landed.

Paul Bangs called upon his many years of experience at Riverside, on a peg not often used, to just sneak the win from Alan Thomas who drew 28, a good winter peg, where bream and skimmers often shoal. Paul's net included a chub, a perch and a roach all approaching the 1.08 mark.

Third place Matt was opposite Paul and exploited the floating island in his margins to get a good double-figure net of mostly roach but boosted by three perch over the pound mark.

Richard has another match (not silvers-only this time) scheduled for Frogmore on Jan 20.
