Now three wins on the trot for jolly Roger Brown. For most it was a hard day but Roger smashed it with a great result from a good draw netting 27.12 of carp plus 28.05 of silvers. This gave him an easy win on the day plus the silver pot as well. His fav worm over maggot approach paying off handsomely.

Simon found some good carp in this right-hand margin to take a great weight on what can be a so-so peg. Up on 24 Chris used experience from a previous fixture to fish along his own bank towards 23 for more carp, just one good fish behind Simon.

After what has been months of amazing fishing at Riverside the drop in weights is a frustration with many 'flyer' pegs failing to produce.

Back to Frogmore next Tuesday.
