A hot and sticky day with the water level at Riverside Road looking very low, maybe 12-18 inches down on normal water levels.

Overall the match fished well with some good fish showing today. Alan T had the best fish of the day a fantastic looking ghostie of 9lb 4oz but even this wasn't quite enough to get him onto the tail of Stan who was on flyer 22 and make the most of it with around 20 carp to give him a 60lb 5oz total. Alan T was a strong second with over 40lb and then the chasing pack were split by a fish or two from 33lb to 21lb with Andy Trigg having a tough time on 25 but still with double figures.

Overall some very good weights considering to hot weather, low water level and lots of scum and leaves.
